About *Japture.*

Japture is an ambitious initiative launched by Scrollwell, aimed at building the next generation of skilled professionals by providing a 21st-century learning platform for students. This innovative project is designed to unlock knowledge, skills, and opportunities through a combination of cutting-edge training, world-class courses, and a vibrant, supportive community.

At its core, Japture embodies Scrollwell's mission to bridge the technological gap in education and empower educators and students alike. By leveraging Scrollwell's expertise in live training for professional development, Japture offers meticulously crafted programs that address the diverse needs of learners. These programs encompass various themes, including Engineering, Education, Start-up, and Entrepreneurship, ensuring that participants receive comprehensive and relevant training.

Japture's mission is to empower students by providing them with the tools and opportunities needed to succeed in their chosen fields. By bridging the technological gap in education, Japture aims to create a future where every student has access to high-quality, relevant education that prepares them for the challenges and opportunities of the 21st century.

We are recognized by esteemed organizations including **Startup India, MSME and Skill India Supported by Start-up Bihar** and the Centre for Innovation, Incubation & Legal Entrepreneurship, Chanakya National Law University, Patna.

Our Valued Partners: We are proud to collaborate with our MoU partner colleges in making the 5-Day Internship Challenge a reality. Their commitment to student growth and career development plays a vital role in shaping this initiative. By working together, we aim to create meaningful learning experiences, provide practical career guidance, and open pathways to opportunities that empower students for the future.

Overview of Program

This program is designed to help students secure internships and build career readiness by mastering resume creation, LinkedIn optimization, application strategies, and interview skills.

- **Internship Search Strategies:** Learn to identify target roles, research companies, and create a shortlist
- **ATS-Friendly Resume:** Craft a professional resume that stands out in automated screening systems
- **Mock Interviews & Networking:** Gain confidence through practice interviews and professional networking guidance
- **Application Strategy & Cover Letters:** Tailor applications and craft concise, impactful cover letters
- **LinkedIn Optimization:** Enhance your profile, improve visibility, and connect with recruiters
- **Interactive Learning:** Live sessions with exercises and practical assignments
- **Certification:** Receive a certificate on completing 80% of sessions and at least one practical task

Timings and Duration :

The sessions will be conducted every evening from 6:30 PM to 7:30 PM via YouTube live and Zoom. Each session lasts approximately one hour, with minor adjustments possible to ensure a smooth learning experience. Participants may also receive small exercises to practice concepts at their own pace.

Date: October 15 - 19, 2025

Bonus: Participants will receive several bonus learning resources to support self-paced learning, including recorded session videos and step-by-step guides.

Certifications: Certification will be awarded only to those who attend at least 80% of the sessions and complete a minimum of one project out of the three assigned. This ensures participants remain engaged and gain practical skills rather than just theoretical knowledge.

We encourage you to stay consistent and dedicated throughout the Bootcamp to make the most of this unique opportunity. We are excited to see the innovative AI-driven projects and portfolios you will create as part of this journey

Curriculum:

Day 1: How to Find & Apply for Internships

- Learn to search and identify internship opportunities
- Research companies and target roles
- Create a shortlist of 5–10 internships

Day 2: Resume for Internships (ATS-Friendly)

- Build a professional, ATS-friendly resume
- Learn formatting and keyword integration
- Prepare a draft CV ready for applications

Day 3: Mock Interview & Networking Guidance

- Tips for virtual interviews and common questions
- Learn follow-up strategies post-interview
- Participate in a 5-minute mock pitch or Q&A session

Day 4: Application Strategy & Cover Letters

- Tailor applications for different internships
- Craft concise and impactful cover letters
- Submit 1 sample application for feedback

Day 3: LinkedIn Optimization for Students

- Update headline, About section, and experience bullets
- Learn networking basics to connect with recruiters
- Improve profile visibility and impact

Know your **TRAINER.**

Roshan Kumar

Founder and CEO - Scrollwell
Google Certified Educator

As the founder of Scrollwell, I am passionate about empowering educators and learners to achieve their full potential. Over the past 5 years, I have impacted 55,000+ teachers, students, and young professionals through classroom bootcamps and online courses. I am a Google Certified Educator and hold an MBA from NIT Jalandhar, with expertise in business planning, digital marketing, and educational consulting. Through my work, I strive to create impactful learning solutions that bridge the gap between education and real-world opportunities across India..

Dr. G. Sita Madhavi

Professor – Marketing & Supply Chain Management
Geethanjali College of Engineering & Technology, Hyderabad

As a professor of Marketing and Supply Chain Management with over 24 years of academic and industry experience, I am passionate about shaping future managers and empowering learners with practical skills. I have conducted corporate trainings and MDPs in Analytics and Retail, published in Scopus-indexed and peer-reviewed journals, and received the Best Lecturer Award (2005). Through teaching, research, and consultancy, I strive to bridge academia and industry, preparing students for real-world challenges in business and management.
